

Cruise Roma

Cruise Barcelona

CRUISE ROMA

is the biggest and the most modern vessel of its type and can carry up to 2300 passengers. Deployed on the Civitavecchia/Barcelona Line, it is the first of four cruise ferries, all of which will be in service by the end of 2009. Customer satisfaction is always Grimaldi Group's priority, and we will accomplish this by making your journey as comfortable and enjoyable as possible.

Cruise Roma will make you feel like you are already on holiday

Whether you choose to travel by ship to reach your destination safely and comfortably, or to take your car with you, once onboard you will feel as though your holiday has already begun! Travelling on **Cruise Roma** is not only a way to get to your holiday, it is the beginning of your holiday.

So have your tanning lotion and swimsuit close at hand, **Cruise Roma** will provide you with 1,070 m² of open space where you can find an adult swimming pool, a children's pool, a solarium equipped with deck chairs and a café and snack bar offering you a choice of fast foods and refreshments to enjoy in the shade.

Cruise Roma the comfort of a 5-star hotel

The young and the young at heart can choose an armchair, but those passengers who prefer the comfort of a bed can book one of the beautiful internal or external cabins. All are equipped with private shower and toilet. For those who wish to be truly pampered there is the choice of a luxury Junior Suite or Owner Suite, all equipped with radio, tv, and minibar.

Cruise Roma everything you need

Spending time on board this ship will be very pleasant. The architectonic choices made by Grimaldi Group make deck 10 a little "town planning" jewel. It will seem like walking downtown: the lateral streets offer a beautiful sea view with their long windows leading to the bar of the main square. Along the way you can stop by the boutique and the mini market, furnished with all your necessities. The coffee shop has an internet point and don't forget the children's playroom and the large area dedicated to the gambling lovers.

Cruise Roma the best location for meetings, conventions and incentives

You could start with a lavish breakfast arranged in the Main Lounge Bar. With an elegant design and a strategic position at the bow it is the best place to enjoy a marvellous sea view. The large windows surrounding three sides of the bar make it difficult to leave behind but you will be able to enjoy your convention in the inviting meeting room which can accommodate 300 people and is equipped with a maxi-screen and audio-visual director.

Cruise Roma will also take care of your health

If you are stressed from work, or you would simply like to be pampered, you must drop by the Beauty Centre. Sauna, massages and beauty treatments are performed by professionals with proven experience and international fame. Moreover, there is a gym with modern machinery and professional accessories for cardio-fitness, weightlifting and stretching for your well-being.

Il centro benessere

Equipped with **TECHNOGYM**

Cruise Roma does not forget the night life

Some passengers will be satisfied ending the day with an excellent dinner at the modern and efficient Self Service or perhaps at the refined and luxury à la carte Restaurant with its panoramic views. You will feel like you are on a terrace on the sea. And for those of you who are used to staying up late, **Cruise Roma** provides a casino with gaming tables, modern slot machines and videogames, but that is not all. Astern of the highest deck, you will find a wonderful disco, covered by a crystal dome with a sky view, to dance and enjoy all night long.

Smaila's

Club on board

Cruise Roma a wide space for gambling lovers

A 330 m² area equipped with a casino, gaming tables, slot machines and videogames. You will enjoy your staying by trying your luck at roulette or black jack tables, or playing horse race with our 5-stations machine. On board **Cruise Roma** you will find 50 slot machines, 16 videogames and an electronic roulette in the smokers' area.
