CRUISE BARCELONA
CRUISE ROMA

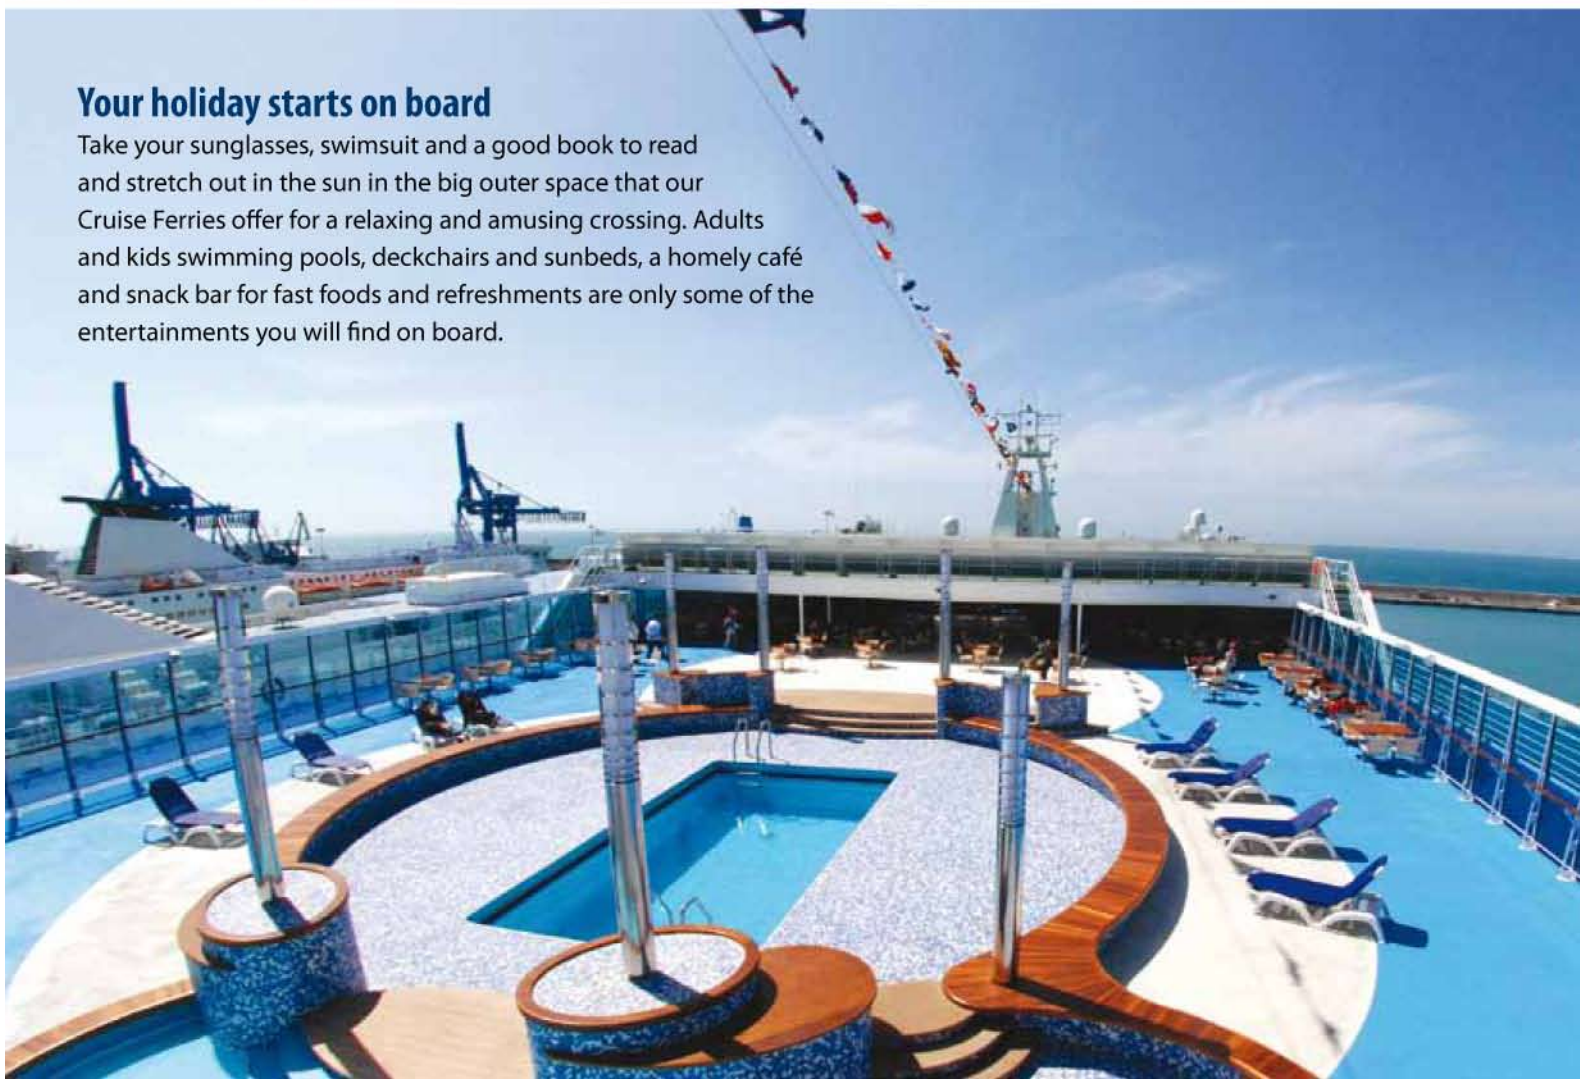

Cruise Roma/Cruise Barcelona

are new generation cruise ferries with cruiser standards, both in service from 2008. They can carry up to 2300 passengers and assure a comfortable, pleasant and entertaining trip, thanks to the quantity and the quality of their on board facilities.

Your holiday starts on board

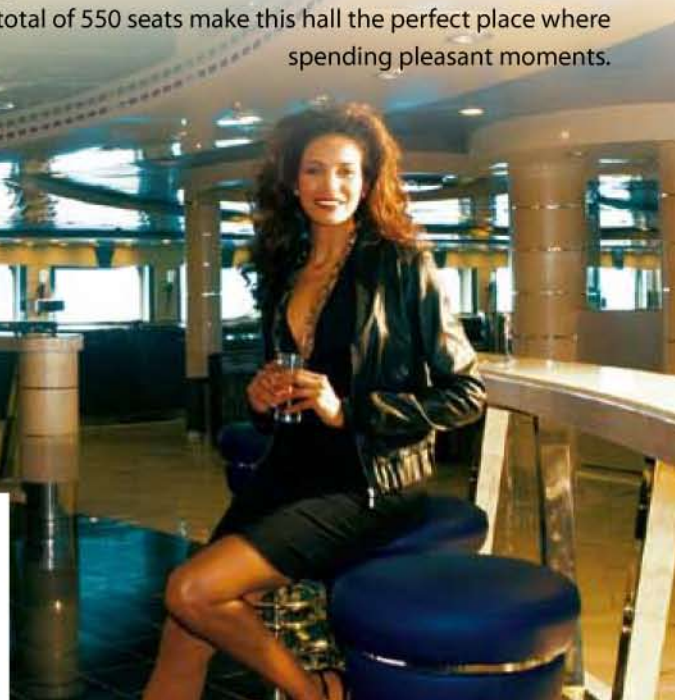

Take your sunglasses, swimsuit and a good book to read and stretch out in the sun in the big outer space that our Cruise Ferries offer for a relaxing and amusing crossing. Adults and kids swimming pools, deckchairs and sunbeds, a homely café and snack bar for fast foods and refreshments are only some of the entertainments you will find on board.

Everybody enjoy all day long

Large and splendidly furnished, the Smaila's Club is the perfect location for all type of entertainment and events. A little stage for musical exhibitions during afternoon and night, a dance floor, some small sofas and armchairs for a total of 550 seats make this hall the perfect place where spending pleasant moments.

Dancing under the stars

Covered by a crystal dome with a sky view, the wonderful on board disco can assure magical moments to dance and enjoy until the dead of night.

Large and comfortable cabins

You can choose your accommodation according to your requirements: comfortable reclining seats, standard cabins (internal or external, all with private services) or luxury Junior Suites or Owner's Suites, all equipped with phone, radio, TV and minibar.

Time will fly among such entertainments

From fore to aft, walking along deck 10, it will seem like walking downtown. Along the way you can find à la carte and self service restaurants, the drivers lounge (with smoker's area), the children playroom, the casino, the main coffee with internet point, the boutique, the mini-market and the big Smaila's hall.

A wide space for gambling lovers

A 330 m² area equipped with a casino, gaming tables, 50 slot machines, 16 videogames, roulettes and electronic poker, horse races with 5-stations machine. You can find a smokers' area too.

Physical form, wellness and a lot of snuggle...

The Wellness Centre, located on deck 9, is equipped with sauna, Turkish bath, Jacuzzi, relax area, two halls for massages and beauty treatments, sunlamps, sun shower and beauty products on sale. There is also a gymnasium with new Technogym accessories.

TECHNOGYM®

Combining duty and pleasure

All type of meetings, conventions and incentives can be accommodated in a homely and super technological on board Conference Room. It is situated on deck 7 and is fitted up with 3 maxi-screen, audio-visual director and the option of a simultaneous translation, 330 seats and a mezzanine for speakers.
